

Midwest Shelter for Homeless Veterans Volunteer Application

**Thank you for your interest in joining the fight to
end veteran homelessness!**

Here's some information on who we are and our mission:

Midwest Shelter for Homeless Veterans, Inc. is a non-profit agency that serves over 400 homeless and at-risk veterans and their families annually. With care and comprehensive support, we provide them with housing, supportive services, and community outreach to achieve independence. Founded in 2007, by a Vietnam War veteran and a Gulf War veteran, MSHV operates on a vision of no veteran left behind due to homelessness, joblessness, poverty and/or mental health issues.

We are a compassionate, responsible, and dedicated team. Our “can-do” attitude is our core. Optimism and responsibility are infused in all we do to help our clients obtain goals they may have never thought possible – becoming self-sufficient and productive members of their communities. We believe that no person who has defended our homes should ever go without one of their own.
